

Dear: Parents/Guardians,

May 6th, 2019

Gwynne School Parent Association is happy to bring you the option to help fundraise for our school with a fantastic local company, The Meat Shop at the Pine Haven Colony. They have a great selection of meats that are all gluten and allergen free. The animals were all free range, with no hormones or antibody growth additives given to them. The hamburger patties also have no fillers!

Please remember to collect your money in advance to avoid any conflict. Cheques can be made payable to Gwynne School Parent Association (or GSPA). Make sure to fill out your **Child's Name**, Class and a contact phone number on your order forum. It makes sorting orders much easier.

Orders will be due by **May 22nd**. Keep in mind that orders will not be accepted after the above mentioned date unless arrangements have been made ahead of time. Orders will be in on June 5th. If this date changes a note will be sent home with students. Orders **MUST** be picked up this day as we do not have any fridge/freezer space to store the orders.

If you have any questions or require any other information please do not hesitate to contact me at 780-312-5133 or jkbelbeck@gmail.com

Your support with this fundraiser is greatly appreciated!

Kristine Belbeck

Gwynne School Parent Association
