

Your Free \$25.00 Gift Card

Congratulations! You, as a select parent, acquaintance, family member, supporter or pet¹ of a Gwynne School student have an exclusive opportunity to win a free \$25.00 gift card to the retailer of your choice.

As you embark upon new adventures this summer you will have opportunities to eat, drink, sleep, shop, and wish you were finally back home. FundScrip will allow you to help your school and change the way you do business.

Our FundScrip fundraiser is on-going through their website (www.fundscrip.com) where gift cards for over 240 of your favourite retailers are available to be shipped direct to your home or wherever else you would like to receive them. You receive the **full** value of the gift cards you order while Gwynne School received a percentage of that value back from the retailer. Everyone wins!

To help get you started we'll be giving away a \$25 gift card for the retailer of the winner's choice. Every order made through the FundScrip website supporting Gwynne school during the months of June, July and August will be entered into a draw for this \$25 gift card. The draw will be held and the lucky winner notified the first week of September so that you can select your preferred gift card from the 240+ available from FundScrip.

Instructions for setting up an account and placing and paying for an order can be found on the following page. If you have any questions about how the program works, please contact Vicki Croft at 780-352-6284 or compound@myemailserver.ca.

Thank you in advance for your support.

Gwynne School Parent Association

FundScrip Order Instructions

For first-time direct ship orders

1. Go to www.fundscrip.com
2. Click on the green “Support a Group” button.
3. Enter Gwynne School’s Group Invitation Code: **JG7R4B**
4. Enter your personal details to create your FundScrip account. It will send an email to your email address to confirm that you’re who you say you are. Your email address will end up being your login.
5. Click on the link in the email to confirm your email address and it will take you to the site and ask you a few questions about your preferences and then your account will be set up.
6. To place an order you can add cards to your shopping cart but you will also need to choose a shipping method, add an address and choose a payment method before you can checkout.
 - The only shipping method currently available in our group is direct shipping. So the cards will come direct to the address you indicate. You can choose regular lettermail (currently \$0.89) if there are fewer than 4 cards in your order and the total is under \$500.
 - When adding an address, the “Attention To” field is mandatory and that’s where you want to put the name of the person you’re sending the cards to.
 - There are three options for payment:
 - Electronic Funds Transfer (EFT) – This is the method that automatic withdrawals from your bank account use (just like your mortgage payment or insurance payments or utilities). Once set up, it’s the easiest to use. Funds are only withdrawn from your bank account when you place an order. To set this up you need to fill out FundScrip’s EFT form and send them a copy or image of a VOID cheque.
 - Online Bill Payment – This method is also quite easy if you pay bills online with your bank. If you choose this method, FundScrip will issue you a number after you place your first order. You use this number as your account number when you log into your bank to pay the order amount. You’ll need to set up FUNDSTREAM/FUNDSCRIP as a payee and enter the number they gave you as your account number. Then you pay the order amount like you would any other bill.
 - Credit Card – You can also use your credit card to pay for your FundScrip order, however this method reduces the amount of money that Gwynne School receives by the cost of the credit card processing fee. Every little bit helps so it’s better than not ordering just please ensure the donation percentage is 3% or higher.
7. Once you have received your gift cards, you need to log in to your account and confirm that you have received your order. There should be banner asking you to do so once you log in, but if not you can find your orders under the “Your Activity” heading at the top of the page.
8. Enjoy the good feeling you get from supporting our school while purchasing groceries, gas and anything else you might need. =)
