Please Note:

These are supplies that are necessary for the first day of school in September. It is very important that all supplies have your child’s name on them in BOLD PRINT, please. An easy way to mark individual pencils, pencil crayons and crayons is to wrap the end with white surgical or masking tape and label on there. Thanks for ensuring that these supplies are here on the first day of school.

***To be kind to the environment please reuse any supplies that are in good condition from last year.***
